## MEN & THEIR CARS

### EMPIRE OF HIS OWN

**The Man:** Ron Sturgeon, Founder and President, DFW Elite Car Club, Fort Worth  
**The Cars:** 2007 Lamborghini Gallardo Spyder convertible, 2006 Lamborghini coupe, 2005 Ferrari F1 430 coupe

Ron Sturgeon's father died when Ron was a senior in high school, and, left to fend for himself, Sturgeon went on to build one of the largest operations in the auto salvage business. The exotic car collector says that his favorite car depends on his mood. And he has plenty to choose from, including a Ferrari F1 430, an Aston Martin V8 Vantage, a 2006 Corvette Z06, a 2007 Porsche Twin Turbo and two Lamborghinis. His Lamborghini Gallardo is the favorite for going fast, and he enjoys his 2006 Bentley Continental GT because it is the "best all around, big, smooth, fast and beautiful," he said.
